Blue Canopy Promotes From Within

Reston, VA – March 4, 2005 – Blue Canopy today announced it has promoted Mark Wittlin to Senior Vice President of Operations.

Wittlin joined the company in 2003 and most recently was responsible for all commercial professional services delivery. During his term, Blue Canopy experienced triple digit growth each year, while maintaining a 100% client approval rating across all projects. As Senior Vice President of Operations, Mark will assume day-to-day operational responsibility for Blue Canopy commercial accounts and corporate functions. Prior to joining Blue Canopy, he was Vice President, Operations for Managed Services at Dimension Data (Acquired Proxicom). He has managed service and project delivery for such clients as Del Monte Fresh Produce, VW, GMAC, Mazda, Exxon Mobil, and DuPont.

About Blue Canopy

Blue Canopy, a privately held company founded in 2001, is a pioneer in aligning business and information technology (IT) interdependencies, employing their industry-leading 4th-party integrator (4pi™) methodology to solve the toughest problems currently facing the IT sector. Whether the requirement is strategy, development, quality, or sourcing, Blue Canopy approaches each complexity with a singular resolve—to be their client's steadfast and trusted delivery partner. Blue Canopy's Government Services team operates as BC Fed Group, LLC, bringing Blue Canopy hallmark value to clients in both Civilian and Defense organizations of the Federal Government. Blue Canopy is headquartered just outside Washington D.C. at 12355 Sunrise Valley Drive, Suite 250, Reston, VA 20191. For additional information, visit www.bluecanopy.com or call (571)323-4790.
